

e:Ed - Evaluation Matrix

EAM:

Matrix Ranking	Sticky Note Number	criteria	Number of Users			Infrastructure			Degree of Improvement			Cost to Implement			Time to Implement				Total Weighted Score
		weight	2			1			4			3			5				
		ranking	School	District	Country	New	Mix	Existing	Low	Medium	High	Very Low	Low	Medium	High	very Short	Short	Medium	
points	1	3	5	1	3	5	1	3	5	5	3	2	1	5	3	2	1		
		Tweet-Chat (#20minwms) Salon			1			1			1	1				1			75
		Library as "Flash Commons" Big Idea			1			1			1	1				1			75
		iPods and music players allowed (policy)			1			1			1	1				1			75
		Peer-to-Peer Tutoring			1			1			1	1				1			75
	16	What if the library created personalized yearbooks for each student? Would it include books read and works created? Research?			1			1			1	1				1			75
	4	What if we had access to other remote experts like astronauts? Could they also talk with international			1			1			1	1				1			73

4	What if we had access to other remote experts like astronauts? Could they also talk with international students?			1		1				1	1				1				73
	Tool Stations: Legos, Kinex, Tubes, Stix			1		1				1		1			1				69
	Food as integral part of learning space/interactions			1		1			1		1				1				67
	QR Codes & Learner-created Video Tutorials			1		1			1		1				1				67
	"Never-Wrong Bar"			1		1			1		1				1				67
67	Whiteboards everywhere	1				1				1	1				1				67
5	What if the library supported live broadcast/webcam showcasing student activities and work?	1				1				1	1				1				67
21	What if the library occupied several separate spaces instead of one large space? Could that be managed by students?	1				1				1	1				1				65
	Create a learning commons that supports/leverages kids talents/skills		1			1			1		1				1				61
	Creative, Innovative, Collaborative Virtual Spaces			1	1					1	1					1			61

	infuse inquiry into project planning	1					1			1	1							1	47
	foster partnering relationships between tech people and librarians	1					1			1	1							1	47
	database of school's community members expertise - formal and informal, youth and adults	1					1			1	1							1	47
	Develop a speaker series for the library			1		1			1				1				1		46
	Library as "Second Home" Big Idea			1		1			1				1				1		46
7	What if everyone had access to all the library resources?			1		1			1				1				1		46
10	What if we had a resource for EVERY subject in SEARS?			1		1			1				1				1		46
11	What if students could get technology help 24/7?			1		1			1				1				1		46
	PD - support pedagogical shift		1				1			1		1						1	45
3	What if the Library had to be open 24/7?		1			1			1				1				1		45
6	What if the library was portable in the sense of a virtual library or app?		1			1			1				1				1		45

8	What if books could be turned into audiobooks/ebooks IMMEDIATELY?		1			1				1			1				1		45
13	What if there were teacher librarians for each grade level?		1			1				1			1				1		45
	The library celebrates, displays, publishes and curates student creation and contribution			1		1				1			1				1		44
	Library as "Kitchen" Big Idea			1	1					1			1				1		44
	Library as Tinkerer's Studio Big Idea			1	1					1			1				1		44
	iPad Walls			1	1					1			1				1		44
	College Student Expert Panel			1		1				1			1				1		44
5	Students Can book space	1					1			1			1				1		44
9	Members continuously dictate space's purpose	1					1			1			1				1		44
13	Designated Food Area	1					1			1			1				1		44
24	QR Codes	1					1			1			1				1		44

	Ambiance: smell, textures, etc.	1				1			1			1				1			43
	Every surface supports and inspires learning		1			1			1			1				1			42
	Add moveable elements to library (white boards/dividers)		1			1			1			1				1			42
	Take traditional non-learning spaces and turn them into learning spaces		1			1			1			1				1			42
39	Library as Downtown: Support visible and in circle of support available for members			1	1					1			1					1	42
14	What if you could drive through and check out/pick up books?		1			1				1			1					1	42
17	What if there is no copyright?			1	1					1			1					1	42
	Library as a place to provide support for social or emotional issues	1				1				1			1					1	41
11, 16, 22	organize space by noise level	1				1				1			1					1	41
	emphasize synthesis skills	1					1				1		1					1	41
	TED talks - students!	1				1				1			1					1	41

20	What if we had an avatar, virtual persona or simulation available for all historical time periods?			1	1					1				1				1	39
	Mall Concept with Kiosks (structural concept)	1				1				1				1				1	38
4	Presentation Area with Stage	1					1		1				1					1	38
11	Incorporate Parents & Community	1					1		1				1					1	38
	Develop a PR/marketing strategy for library		1			1			1				1					1	37
	Library becomes more of a green space		1			1			1				1					1	37
1	There are no physical boundaries to the library		1			1			1				1					1	37
	QR codes for community reviews	1					1	1				1						1	36
21	Gallery/Display Space	1				1			1				1					1	36
	Library provides real-time media stream displaying trending & current events		1		1				1				1					1	35
	multipurpose furniture	1					1		1				1					1	35

32	Science Coach (Student or Professional)	1			1					1				1				1	31
33	Math Coach (Student or Professional)	1			1					1				1				1	31
34	Literacy Coach (Student or Professional)	1			1					1				1				1	31
35	Social Studies Coach (Student or Professional)	1			1					1				1				1	31
36	Parent Liason	1			1					1				1				1	31
37	Service Learning Liason (Student or Professional)	1			1					1				1				1	31
38	Library as Google Offices	1			1					1				1				1	31
40	Counselor/Social Worker/Mediator (Student or Professional)	1			1					1				1				1	31
17	Class digital resource carts	1			1					1				1				1	31
18	Bookshelves as Walls	1			1					1				1				1	31
19	Media Production Studio	1			1					1				1				1	31

6	Mobile Furniture	1			1				1					1				1	23
8	Indoor/Outdoor Environmental Workspace	1			1				1					1				1	23
